February 2012

Dear Parent/Carer

You will be aware that students are approaching their GCSE examinations, many of which will take place in May and June. In order to aid revision and help our students achieve the very best they can, there are a number of revision/extra classes now taking place. Our evidence shows us that students who consistently attend such sessions out-perform those who do not and so I would appreciate your encouragement and support in ensuring your son/daughter attends.

Firstly, for many, there is a GCSE Maths exam on Friday 2 March and the Maths department are offering revision sessions on Tuesdays and Thursdays from 2.30 pm to 3.15 pm. Other sessions are as follows, and more may be added at a later date:

Tuesday: Business Studies with Mr Chesters
Spanish with Miss Conroy

Wednesday: History 'Medicine through time' with Mr Clarke
Sociology with Mrs Horsfield

Thursday: History 'Germany 1919-1945' with Mr Chesters

Friday: French with Mrs Whitaker

We hope to see good attendance at these extra classes which are available to our Year 11 students.

Yours sincerely

Mr Lee Chesters
Progress and Learning Manager – Year 11
